Gold and Blue Newsletter

Volume 6, Issue 1

September 24, 2009

From Your Stoneleigh PTA President

Dear Stoneleigh Friends and Families,

Welcome to the 2009-2010 school year! We have had a great start to the school year. Before our children returned to school on August 31st, several volunteers and community members were already showing off their gardening skills to spruce up the school, meeting to plan committee activities for the school year, attending PTA training conferences, stuffing more than 600 PTA envelopes and communication folders, and helping to host a fabulous teacher/staff breakfast. Moreover, families of our new kindergarten students filled the playground and field space during our traditional K-Time Playtime. More recently, there was an overwhelming show of parents at our combined Volunteer Training/General Membership Meeting/Back-to-School Night on September 8th and September 15th. We hope to keep up, if not increase, this parent involvement and enthusiasm.

Thank you to Angela Shrewsbury and Mindy Williams for rolling out our fall fundraiser with Innisbrook this year. If you forgot to turn your order in by the deadline on Thursday, September 24th, orders will be accepted through Wednesday, September 30th. The PTA appreciates the support that Stoneleigh families and the local community have given to this important fundraiser. Because of generous donations and support of this fundraiser, the PTA is able to fund many events throughout the school year.

Our first PTA sponsored event for families will be the Ice Cream Social on Friday, October 2nd. Be sure to bring your whole family and wear your gold and blue to show your spirit. If you need to add to your "gold and blue" wardrobe, Courtney Creamer and Christy Luis will be on hand to sell newly picked spirit wear during the Ice Cream Social.

Volunteer Connection

American Education Week Volunteers Needed 11/16/09-11/20/09.

The PTA needs parents to help greet visiting families at the welcome table during American Education Week.

Volunteers are needed between 8:25 a.m. and 11:15 a.m. Volunteers can volunteer part of a morning or the whole morning. Volunteers will help parents sign-in, encourage parents to eat some of the delectable breakfast goodies provided, direct parents to their child's class, and monitor the gym lobby door.

Please consider volunteering. There are benefits, such as nibbling at the delectable breakfast! Contact Amy Kline at amykline@att.net or 410-377-6392 to let her know which day you will be able to volunteer.

Volunteer Training Update

If you were unable to attend the scheduled volunteer training meetings, we ask that you please contact Mrs. Eden or Mrs. Wingerd to schedule an appointment to view the training DVD and complete the needed forms. Beginning September 24th, you may call the office to set up an appointment.

Remember all volunteers must be trained in order to offer service in the school as well as chaperone for a field trip. Additionally, please remember we are no longer able to allow parents to receive volunteer training the day of a field trip. You must plan ahead and be trained prior to the date of the field trip.

Innisbrook Product Delivery

Volunteers are needed to help hand out Innisbrook orders in the cafeteria lobby. 60-90 minute shifts are available between noon and 7:00 p.m. on Tuesday, October 20. Please contact Angela Shrewsbury at 410-769-8399 or Mindy Williams at stoneleigh.innisbrook@yahoo.com to volunteer your time.

Hey Girls, Do You Wanna Have Fun?

By Grace D., Age 9, GS Troop 1660

Did you know that you could become a Girl Scout? All Stoneleigh girls and their parents can become scouts. If you are in kindergarten or 1st grade, you would be a Daisy. If you are in 2nd-3rd grades, you would be a Brownie and if you are in 4th or 5th grade, you would be a Junior.

In Girl Scouts we do all kinds of fun things like white water rafting, camping and learning to cook at Wegmans. Girl Scouts also help the community by helping the homeless and animals in need. In Girl Scouts you get to make new friends and we do things that help you get stronger and become a better leader.

Do you know what time it is? It's Girl Scout cookie time. If you sell cookies, you get to walk around your neighborhood and sell cookies. If you sell a lot of cookies, you get different prizes and raise money for cool trips. So look for your closest Girl Scout and buy some cookies.

If you decide you want to join Girl Scouts or you want more information, you can contact colleenmahony@hotmail.com or croberts6@bcps.org. You can also call Colleen at 410-377-8429.

Walking Wednesday

Stoneleigh Elementary students and their parents are invited to join 5,000 schools from all 50 states in the U.S. and nearly 4 million people in 40 countries around the world to celebrate **International Walk to School Week** on **October 5th – 9th, 2009**. Join us in the front of the school for a different event each day.

See the flyer at the end of the newsletter for details about all of the events. October will also be the kick-off for our annual, PTA-sponsored **Walking Wednesday program**. All Stoneleigh Elementary students are asked to keep track of their miles walked to school or around town. Students will report those miles on the monthly Walking Wednesday calendars, which they will receive in their homeroom and bring home in their backpacks. The calendars are completed throughout the month and the students return them to their homeroom teacher at the end of each month.

All of the miles walked will be calculated monthly and this year will be used to help Stoneleigh Elementary hike around the **United States!**

Check your monthly PTA Newsletter to get an update on how many miles the Stoneleigh Elementary students have walked and which cities around our country they have "visited". We walk for a safer community, we walk for our health, and we walk to help the earth. Please join us!

Keep walking Stoneleigh!

Stoneleigh PTA Language Clubs Enrolling Now!

The Stoneleigh PTA is continuing its after school clubs studying Spanish and French language and culture. We have secured excellent, experienced instructors to lead the programs that will run from late October until April for students in the first through fifth grades.

Clubs will meet 20 times on a weekly basis with several exceptions, mainly school holidays. If possible clubs will meet together 2-3 times for special events and immersion opportunities such as cultural presentations and such. To increase conversation and to assist the instructors, we will utilize Towson High School language honor students as tutors. We will also receive help from Stoneleigh students who are already fluent in these languages.

The **Spanish Club** will be meeting on **Wednesdays from 3:30-4:30 p.m.** (NOTE: Currently, the Spanish Club is full. Confirmation of enrollment will be sent out within the next few days. For those students not placed in the class, we will have a wait list in case we can secure another teacher or if enrolled children decide not to participate in the club). The **French Club** will be meeting on **Thursdays from 3:30-4:30 p.m.**

Enrollments will be based on the POSTMARK of the completed registration form and will be a first come basis. No exceptions! **Please MAIL completed registration form and check for \$120 payable to Stoneleigh PTA to:** Kathy Dalrymple, 7004 Bristol Road, Baltimore, MD 21212. PTA-SPONSORED CULTURAL ENRICHMENT ASSEMBLIES AND RESIDENCIES 2009-2010 SCHEDULE

November 10, 2009: *Einstein Alive*, (grades K-2 @ 1:00 p.m., grades 3-5 @ 2:00 p.m.)

Einstein Alive is a school assembly program that blends science, history and entertainment. Among other accolades, it has been called "a marvelous science presentation," explaining "complicated theories in an age-appropriate and extremely entertaining way."

December 23, 2009: *Snowday, An A Cappella Musical History*, (all grades @ 1:45 p.m.)

What sounds like a band but doesn't have instruments? Snowday! This dynamic quartet creates unique music using just their voices to delight audiences of all ages! Snowday's talented singers present upbeat songs and moving rhythms that trace the history of a *cappella* singing and demonstrate how to create its harmonic parts -- including a vocal drumming lesson with the audience. Their broad musical experience in barbershop, opera and contemporary singing is paired with a mastery of teaching to uplift and engage everyone. This mix of energetic men and women includes an original member of the Almost Recess ensemble, and is excited to share their lifelong love of music. And hey -- doesn't everyone love a snow day?

April 26, 2010: *Karim Nagi, Arabic Music, Dance and Culture*, (grades K-2 @ 1:00 p.m., grades 3-5 @ 2:00 p.m.)

In this comprehensive showcase, Karim defines the term Arab and Arab-American. By equating it to African-Americans, Latino-Americans, etc., Karim illustrates what it means to be bi-cultural. Karim then gives a dynamic and entertaining demonstration of the various instruments including an array of drums and the Buzuq (longneck lute). He elicits audience participation throughout by having them pronounce the instrument names, a deliberate first-lesson in the Arabic language. Next he teaches a three-sound clapping system which allows anyone in the crowd to perform the Arabic rhythms without an instrument. Karim concludes with a brief demonstration of Dabka Line Dancing and, when feasible, invites participants to learn as the rest of the audience provides rhythmic accompaniment via their newly learned clapping method. The presentation is animated, humorous and participatory.

April 6-12, 2010: *Marvin Klassen Landis, Third grade poetry residency*

Back by popular demand, Marvin will lead a week of daily workshops with 3rd grade students to explore a variety of poetry forms. Marvin is a writer, educator and performer who has lead workshops at Stoneleigh Elementary for the past 7 years. He teaches writing and literature courses at Community College of Vermont and Franklin Pierce College, in addition to traveling extensively working with children. See Gold and Blue and Creative Too for examples of third grader's poetry.

May 5, 2010 *Robert Kikuchi-Yngojo of Eth-Noh-Tec, Asia FantAsia*(grades K-2 @ 1:00 p.m., grades 3-5 @ 2:00 p.m.)

In *Asia FantAsia*, ancient Asian folk tales and myths are woven with contemporary Asian American style music and theatrical interpretation. Robert's use of timing, elements of surprise, and audience participation create a joyful rapport that draws youngsters and teachers alike into an exploration of Asian culture. These stories, from a variety of Asian countries, may be centuries old, but have lived on because of their positive messages, wit, and wisdom.

May 7, 2010 *Indian Journeys, Fourth grade on site field trip*

Anthropologist Bob Vedder's team will travel to Stoneleigh Elementary to lead an in-house field trip for 4th graders. The day's activities will immerse students in the ways of life of Native Americans, past and present. By providing first-hand experiences that reflect the depth of tribal traditions and histories, students move beyond stereotypes to a more accurate and sensitive understanding of Native Americans as human beings and as important contributors to the world we know today. Students will learn by doing, through activities that include putting up a tipi, storytelling, Native games, arts and crafts, song and dance, and learning history from a Native American perspective.

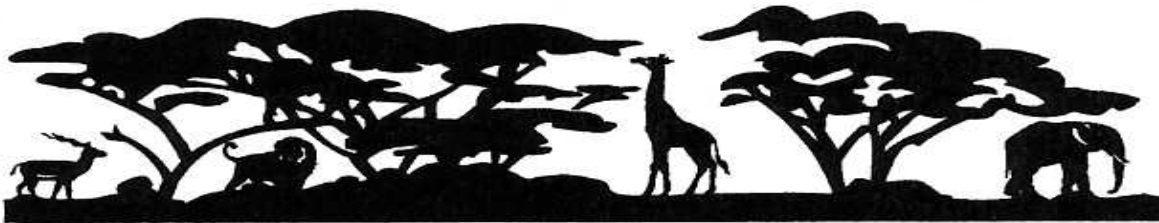

We may have an additional assembly scheduled in February- stay tuned!
